Snohomish County - Executive

Dave Somers

(Prefers Democratic Party)

I’m endorsed by the Everett Herald and Seattle Times; Democrats and Republicans; local environmental, labor, and business leaders; community and education advocates; local mayors, county officials, and many more.

They know I will bring much needed fiscal responsibility and competent management for taxpayers – and they know I have a proven ability to work with everyone to get things done.

As Snohomish County continues to grow rapidly, my priorities include:

- Addressing our traffic congestion and transportation challenges
- Ensuring safe neighborhoods
- Promoting economic growth
- Protecting our environment and quality of life
- Restoring fiscal discipline and strong oversight to county spending

The Times wrote: “Somers is a seasoned public official with an ability to both bridge ideological divides and to stand on principle when necessary. He would step quickly into the executive chair.”

The Herald wrote: “...the County requires an executive with Somers’ years of budgeting skill. As well, the office would benefit from the knowledge Somers has in the economy, the environment, growth issues and transportation.”

It has been my honor to serve you on the County Council for 14 years. I ask for the opportunity to be your next County Executive. I ask for your vote.

As your Executive I have focused my efforts on building a bright future for this county; investing in safe schools for our children, a reliable transportation infrastructure that will support growth and creating the best economic environment to help produce jobs.

I’m proud our jobless rate is among the lowest in the state. I remain committed to pursuing opportunities for a diverse economy that accentuate our strengths while exploring new economic development options to create family-wage jobs.

I established a joint task force in the aftermath of the tragic Oso slide that led to legislation to help make people safer in Snohomish County, I am working to preserve the 38-acre Hooven Bog to support critical waterways and remain committed to the veterans and seniors in our community.

Marty Glaser

(Nonpartisan Office)

The assessor's job is to appraise property for tax purposes.

For many years the assessor's position has been filled by someone who has little or no experience in property valuation.

Since assessed taxable values rose continually for many years, specific knowledge of appraisal practice may not have been necessary to guide the staff as long as the statue quo remained the same.

In 2008 however property values plummeted, but assessed values continued to increase until 2010 before the assessor finally recognized that "all sales make up the market".

That mistake caused many mortgage payments to inflate beyond what people could bear and thus contributed to the foreclosure of many homes.

Therefore, I believe its time for a change! The next assessor must be an experienced appraiser who is able to quickly recognize the changing market and adjust values accordingly.

I have been appraising real estate in Snohomish County for 30 years. My goal is to make sure everyone only pays their fair share. Correcting inequities and keeping you informed about tax issues and market trends will be my priority so you will not be surprised when your tax statement arrives.

Let's make a positive change! Vote - Marty for Assessor!

Snohomish County - Sheriff

Ty Trenary
(Nonpartisan Office)

It is my privilege to serve our community as your elected Sheriff. As a 26 year veteran in law enforcement I have the experience and skill to tackle the tough challenges our communities face. I will continue to focus on community safety, leadership and the responsible use of our jail. Our communities deserve a law enforcement agency that is responsive, compassionate and understanding. These principles are what guide the work I do on your behalf.

To tackle tough challenges like crime and drugs I will continue to focus on adding staff to our patrol division, improving services at our precincts and improving community partnerships through our Office of Neighborhoods. Further, I will work closely with other agencies and service providers to bring the most sophisticated and advanced services to our communities.

We must tackle these challenges by being tough on crime while also treating people fairly. “Community First, Public Safety Always” is my philosophy for today and for our future.

For more than 30 years I have served Snohomish County citizens in the Clerk’s office, the past 8 years as your elected Clerk. Under my leadership the Clerk’s Office staff has continued to provide excellent service, identified and implemented cost-saving mechanisms, and consistently operated under budget in spite of unprecedented cutbacks. 3.) Improved Clerk’s Office website services;
4.) Posting of court calendars online; and

Charter Review Commissioners are tasked with reaffirming legislative powers as separate from the Executive. I believe the people are served best by a responsible and responsive county government, which can only happen when the people first set forth their values, expectations and needs. I bring my longstanding commitment to the local community, including appointed service in the City of Everett, ADA-access consulting, civic engagement, and as an advocate for human and civil rights. A little different from most deeply entrenched elected officials, my view is grassroots. As a downtown pedestrian and public transit consumer, traveling around Everett and the Puget Sound area, I encounter what others don't who view life from busy lanes of traffic. This perspective cannot be overlooked as Snohomish County increases its population, continuously develops with an eye toward the future, and incorporates a diverse citizenry in charting our course.

Bringing clarity to the existing charter, infusing it with the people's perspective, and ensuring our county works for all of us, are the responsibilities of the charter commissioners. I ask for your vote.

I am Marian Harrison.

I am a Snohomish County native, who has lived almost all my life in rural Snohomish County, I am running for the County Charter Review Commission, because someone who really knows Snohomish County should be the voice for the County. I can truly tell you of the many changes that have occurred over the years. I have seen what building, loss of animal habitat, logging and loss of timber, has done to rural areas. Water has become a premium commodity. It is a big concern and must be carefully conserved.

I was born here, live here, worked here and have tried always to work for community. I have a long history of working to better conditions in Snohomish County. I will always work with others to this end.

At this time, not all people are protected under the Snohomish County Charter, I think this is wrong, and I will fight to ensure we all have equal protections under our Charter. Also, a transparent government is a value of high importance to the people of the great county, and it's a value that I will preserve. I will ensure that our Snohomish County Charter encourages we have the most experienced elected officials in government. With a county that is expected to grow 25% over the next 15 years, the experience of our elected officials is paramount for protecting the environment, guaranteeing sustainability and defending the county's beauty that we all enjoy. With your vote I can preserve these values, and together we can work to ensure this county continues to be the most attractive for businesses and the people.

I believe the most important purpose of government is to protect individual liberty. Each person should be free choose their own path, and pursue their own happiness, without interference from government or those that want to harm them. I believe that government exists to do as the people tell it to; it does not exist to tell the people how to live their lives. I hope to collaborate and problem-solve with the other individuals elected to review the charter, and work towards a charter that more reflects these principles, and improves the transparency and accountability of the County Government. I will never compromise my core principles, but I will respect and make every attempt to work with others who may have a different set of principles. I'm excited about the idea of shaping the Charter of our county, and I would be honored to have your vote.

Voters have many choices for the Charter Review Commission. There are 17 candidates for this position, only three will be chosen to represent you during the next year to look over and update the County Charter—the foundation of county government. This position requires thoughtful people without a preconceived agenda. It also requires the ability to work together with others.

Snohomish County Charter Review Commissioner - Council District 2 (continued)

Dick McManus
(Nonpartisan Office)

I am Democrat. There is no such thing as non-partisan. By filing for public office as non-partisan the candidates are lying. The voters want to know which party the candidate supports and how she/he votes when it is Democrat or Republican. If they say they are an independent voter who votes for whoever, that tells me the non-partisan candidates for County or local offices always want to be politically correct. I want to vote for a leader who stands for something and is honest about his/her plans for a better future.

I want to add two more county districts (not adding any elected by at-large seat). I support ending term limits.

I support instant run off voting, that is, citizens vote for their first, second, third and etc. choice for the pubic office. If their first choice does not get a majority of the votes, than their vote for their second choice gets to be added to round two, until a candidate gets a majority of the votes.

I believe all local candidates should answer questions about national issues because the answers go right to the heart of who they really are.

I was born and raised locally and from a very young age, my parents taught me the importance of making your voice heard. That is why I got involved in my community and eventually ran for office. I am running for Charter Review Commissioner because I think it's time that county government listened to our community. We have said over and over again that we don't want commercial flights at Paine Field, but they don't listen. I will push to ensure more public input before our quality of life is damaged.

After many years serving our community, I want to put that experience to work to help stop the dysfunction in county government. They can learn from the way we work in Mukilteo: we listen to everyone, respect one another, and focus on getting things done for the people.

My supporters include County Councilmembers Brian Sullivan and Stephanie Wright. I ask for your vote.

Elected Experience: I proudly served as a Mukilteo City Councilmember for ten years. Today, I am honored to serve as Mukilteo's Mayor; it's the best job I've ever had.

Education: I'm a Kamiak graduate, received my BA from New York University, and a Masters in Urban Planning from UW.

I’m running for the Charter Commission because good government is best nourished by new ideas.

Are you uncertain who to vote for in this race? It may help to know me by the organizations I’ve been part of and the people who support me.

I’m the Secretary of the 21st Legislative District Democrats. They have endorsed me, as has Mukilteo Mayor, Jennifer Gregerson, one of the District’s most respected Democrats. I’m a safety professional in the utility industry. My professional and volunteer work has garnered me decades of experience researching laws and writing policy. I’m a progressive policy wonk.

My ideas include expanding disaster response resources through voluntary mutual aid agreements amongst governmental agencies, to allow all government entities to respond. Creating mandatory diversity reporting to ensure actual EEO hiring, strengthening ethics in government by expanding ethics oversight and eliminating the need for term limits by creating seven smaller council districts.

I am asking for your vote. Thanks!

I was a typical kid until, at age 8, I was hit in the head by a baseball . A year later I suffered a brain hemorrhage. I have been in a wheelchair for the past 36 years. Since I am in a wheelchair I see Snohomish County in a very different way from other ‘able bodied’ people. Because of that experience, and because I have lived in Snohomish County my entire life, I would be a good person to elect to the Snohomish County Charter Review Commission. I would make sure that the needs of the disabled, seniors, elderly and anyone who has ever suffered from discrimination are considered in any plan for the future of our county.

I have been honored to serve Snohomish County citizens as a Lynnwood City Councilmember, and as a Community Transit Boardmember. My husband and I chose Snohomish County as a great place to raise our family and we are invested here. To build a stronger and better community, I actively work to support schools, arts, good government and social services.

My history demonstrates that I work collaboratively with diverse partners to resolve problems and create solutions. I've focused on issues that address “quality of life” for current and future residents: transportation, human services, social justice and economic development.

I make a commitment to: 1) encourage wide outreach to ensure that we get the best ideas from the broader community 2) listen to proposals with an open mind and fully research possibilities and 3) review the current charter and all proposed changes as an advocate for fairness, efficiency and ensuring that government is easy to understand

I would truly appreciate your vote this November. I'll listen to you.

Snohomish County is a beautiful and growing community. However due to a lagging economy and growing population we need to take proper measures to prepare the for the future. We need to take proactive steps to help mitigate the challenges our county will be facing in the coming years. I suggest we expand the county council from 5 to 9 council members. This allows more representation by the people, while putting more ideas on the table. I would also like to see all county offices be non-partisan. As citizens, we are tired of the polarizing politics. Simply put, need to be able to elect the best people for the job. It is my intention to help give keep Snohomish County stay enjoyable and prosperous. Together, we can make a difference!

In 1948 the citizens of Snohomish County gave our generation the gift of a “home rule” charter that determines the organizational structures by which we govern ourselves. The flexibility of our charter allows us to provide for modern governance in response to dynamic changes in our community, to respond to citizens suggestions for better organization of our democratic institutions.

Our democracy, while not perfect, represents the greatest opportunity for self-government in the history of civilization. Our commitment to justice and fairness are expressed in our democratic form of government and deserve our eternal vigilance. I am a member of a 7th generation Washington family and am devoted to making our political community work for all of us. I have deep roots in Snohomish County and I ask for your vote, your support and your participation as we review this important instrument of democratic governance.

As a 20+year resident in the Lynnwood area, 12 year business owner in the Edmonds area and citizen of Snohomish County I am qualified and called to serve this Commission.

I feel we should be improving the representation and access of our residents to county government and protecting their rights. To advance this I first propose for consideration, increasing the number of county council districts from 5 to 9 in order to provide better local representation to the residents by having more members serving smaller districts. I would further propose a mechanism that allows the number of districts to adjust as our population changes in the future. To offset additional costs of increasing the size of council, I would propose making council members part time (similar to many city councils) thus reducing salaries and associated costs appropriately to keep council costs neutral.

I will be open to the proposals of others on the commission but primarily to the residents of Snohomish County Council district 3. I look forward to hearing opinions of the citizens and intend to consider them with good faith.

I grew up in a middle class family, where we learned that if you work hard and play by the rules—in America—anything is possible. My dad is a carpenter, my mom was a school lunch lady—they taught my sister and I the importance of hard work to get ahead.

Like many of you, I am sick and tired of the bickering and the bad headlines about county government. We need a leadership that works for the people. As a charter review commissioner, I will press for needed reforms that focus our county leaders on results, not more political infighting.

After a decade of service in state and local government, I have seen what works and what doesn't. I will use that proven experience and an outside perspective to push for more citizen input, less partisanship, and a county government that focuses on getting things done.

Elected Experience: Mukilteo City Council, 2006-2008; State Representative, 2008-2014; State Senator, 2014-present

Snohomish County is a dynamic and growing community, with a robust economy, a beautiful environment and the challenges that rapid growth brings to education, transportation and our environment. As a mom and a 16 year resident of Snohomish County, I want to make sure we create a safe and strong community. That’s why I’m running for the Charter Review Commission, which will consider changes to our county government.

My goal is to prioritize public involvement and transparency in the decisions our government makes. With thoughtful planning and public input, we can work together to find solutions for our tough problems, like congested traffic, crowded schools, and the challenge of future growth.

In order to do this, we need a county government that is accountable and works for the people, not just special interests. I will be an advocate for more cooperation, less infighting, and more responsive government.

I live in Bothell with my husband Derek and our two children. I am proud to be endorsed by the Snohomish County Democrats, County Councilmember Terry Ryan, and retired County Councilmember Dave Gossett.

Snohomish County Charter Review Commissioner - Council District 4 (continued)

Heidi Munson
(Nonpartisan Office)

Once every ten years, three people are elected from each of the five council districts to come together to form a Charter Review Commission. Its purpose is to take a look at the county charter to determine its adequacy and suitability to the needs of the county. As we've seen the rapid growth in our county, there are many important issues facing next year's Charter Review Commission.

It is critical that we elect people whose only interest is to serve the public, with no personal agenda. I simply want what you want: a government responsive to its bosses (the citizens), safe neighborhoods, and elected officials who put the community first. While serving on the commission, I will keep an open mind as we discuss what we have done right and where there are opportunities to improve. And, as we have a representative form of government, I will listen to input from you, the citizens of Snohomish County. As a citizen of unincorporated Snohomish County, I understand the impact of the Snohomish County Charter on all aspects of our home rule and the relationship with other governmental bodies, cities and the State. With the recent population growth in unincorporated Snohomish County, I bring sensitivity to the areas of our community for which the County government is the local governing body. Experienced in developing and implementing process improvements, I have a goal of working toward a more efficient and citizen responsive government and maximizing the gains that have been achieved since the last Charter review. I'm asking for you, the citizens of District 4, to allow me the privilege of representing them on the Snohomish County Charter Review Commission. It would be my honor to serve the members of my community.

I have a very particular set of skills; skills that make me well qualified for the Snohomish County Charter Review commission. Most of all, I will listen, and evaluate ideas with a fair mind and discerning eye.

Twenty years ago, I helped create Windows 95. I wrote the CD-ROM file system, invented AutoPlay, and helped enable long file names. I helped architect DVDs by ensuring that they stored movies as ordinary files. I held the vision that someday, ordinary people could use their own computers to create movies.

I worked with many highly technical documents. The international standards describing how file systems work were particularly complex. That experience prepared me for understanding other legal documents, such as the Snohomish County Charter. I learned how to write with the clarity and precision that a Charter deserves.

Bring your best ideas for amending the Snohomish County Charter. Together, let's see if they are worthy of bringing them to a vote of all the people of Snohomish County. I will serve you well if elected.

I have seen our county growth first hand and would like to serve in the Charter Review commission role to help manage the growth we are facing in the next decade. It should be managed prudently to help maintain a high quality of life for our children and grandchildren. Growth left un managed will create a lower standard of living that none of us would like to incur. I appreciate your support serving in this role!

Snohomish County Charter Review Commissioner - Council District 5 (continued)

Gregory Pratt
(Nonpartisan Office)

It doesn't need to be my idea to be a good idea.

This is the philosophy I live by and will bring to the Commission. The job is about hearing and evaluating ideas and input from the citizens of the county to improve our charter. Bringing this open mindedness to the table is critical. I'm truly interested in hearing opinions contrary to my own as they often offer insights and other ways of accomplishing a task. Evaluating a variety of ideas gives us a stronger and better solution.

This open-mindedness is also important when working with the other commissioners. Respecting their opinions is crucial to building agreement on amendments to propose to the voters.

I also bring analytical skills seasoned with a bit of common sense. I'm a software developer today, but I've been self-employed and a machinist previously as well.

My interest in the commission is ultimately about making our community a better place. In my 35 years in the county I've lived this, volunteering as a coach, chairing a co-op preschool, working with our high school band boosters, and interacting directly with the county charter while serving on Snohomish County's Redistricting Committee.

Thank you for your consideration.

I am running for Snohomish County Charter Review Commission for a second term. District 5 trusted me with their votes 10 years ago to serve as a citizen representative. As a full time RN, and farmer (raising dairy goats and organic vegetables), I bring diverse experience and knowledge to the commission. In my first term on the commission, I personally led the decision process for a ballot measure resulting in an increase of transparency in Snohomish county government. Easy access to the dealings AND votes of our elected council members, is now possible. Prior to that amendment, discovering individual's votes was cumbersome and onerous. I was however, unsuccessful with increasing accessibility of county government to serve our largely commuter citizens. If elected for second term, one of my goals is to see government services accommodate your needs, including extended hours for evening, and/or weekends. I will faithfully serve as your representative. The commission visits communities around the county in evening meetings, come share your views.

I would be honored to serve as your Charter Review Commissioner bringing your issues and ideas to the commission making Snohomish County a better government and place to live. Together we can create a new path for our county executive and legislative bodies that are more in line with today and future needs of the people.

My job with your input is to review the Snohomish County charter to determine its adequacy and suitability for the next 10 years.

Snohomish County is facing many issues today and as population grows these challenges will be even greater. Public safety and health, Job Growth, Transportation, Property taxes, government – spending, ethics and regulations and caring for our seniors must be addressed.

I am running to insure we have independent open minded people on the commission who will stand and represent the people and our communities throughout the entire charter review process. It's about building a better tomorrow today.

I raised my family here, have countless hours of community service, worked for the Telephone Company and currently, a Real Estate Broker. I am committed to making Snohomish County a better place to live and enjoy.

The County Charter is the basis for governance in Snohomish County. I believe the balance the Voters created between the Executive and the Council in the original Charter, Strong Council - Weak Executive, is out of balance. I am honored to have the opportunity to represent YOU on the Charter Review Commission.

My family is proud to call Snohomish County home. We love it here! From worship to shopping to community service - we do it all here. Our children attend local schools. We're advocates for local activities, local businesses, local non-profits and local tourism.

We need leaders with integrity, common-sense and proven leadership skills to review the County Charter. I am that leader! As a City Council Member in Monroe, thanks to bold vision, I fostered a welcoming environment for new business, housing and employment opportunities, paid down millions in debt and got Monroe back on track, heading in the right direction. I'll bring this same "no-nonsense" experience to the Charter Review process.

My 24+ years of private sector experience as a Planner, Business Manager and Systems Designer, give me a unique skill set. Fostering a collaborative work environment as a Council Member, using common-sense, while serving with integrity and high ethical standards, sets me apart, making me the right choice for the Charter Review Commission.

Many of you have trusted me with your vote in previous elections and I humbly ask for your vote again.

The Prince Regent Charter Review includes arguments on title-based experience for the youth-leaders of tomorrow, today around the LSPTSA-cloud & enterprise peoples of Select Birth. It only took one moonshot to innovate a uniform artistic practice in The Certificate of environmental Compatibility Act against Fluorine-Sulfur mills. Now is our time to do WSU our way; indigenously. Though Frameworks of Newtonian Mechanics cannot bring \$1.3BN to outstanding life-crushing Tuition loans, relieved by Boeing, I can promise a two-year \$500,000USD fund by JPMorgan Chase in The City of Seattle (for youth-employment) and similar cadences. Because Budget responsibility is steep, palliative knowledge in Housing Administration for the recently-added Naval Housing remains critical. I commend WLM, the Chamber of Commerce & the LEOs on the Skate Park approval. Without The Samish Tribal Governing Body, these separate initiatives for clean air sustainability and Environmental Compatibility are inconclusive outcomes. With a Constructive Process through Sorex, Op-Ex & Cap-Ex, we can bring the community together, preparing Old-Tradition in regalia, similar to Olympia's January trials...Together, we can make the fit come first ... even in Lake Town. I have been an effective Council member and champion for all Everett residents. My leadership and independence has made a positive difference for our families. I want to remain the peoples’ voice on the Council.

My wife Shirley and I grew up and raised our family in this great community. I understand the challenges working families face, because I also work for a living. I’m proud to serve our community as a small business owner and as juvenile correction officer.

SUPPORTING YOUTH: City government must consider youth in our decisions. We must provide parents, schools, and recreational leagues the support in keeping kids healthy and safe.

FISCAL DISCIPLINE: Council must continue to tighten our belts and make wise budget decisions with taxpayer dollars.

Everett’s downtown core continues to improve, but throughout our many neighborhoods, concerns about illegal drug traffic, crimes against property, a growing homeless population, and reduced services coupled with increased taxation, are rising even faster than the city skyline. My fifteen years of experience working with area citizens’ groups, including the Port Gardner Neighborhood Association, Everett’s Council of Neighborhoods, and the Snohomish County Parks Advisory Board, convince me that when regular citizens are allowed to take part in decision-making and problem-solving, safe and vibrant neighborhoods, a superior quality of life AND a thriving economy will result. So with that goal, I support the following:

- 1) Election of Council members by district
- 2) Community policing and a strong Block Watch program to address crime in our neighborhoods
- 3) Reevaluation of tax breaks for developers, and utility tax and fee increases to citizens
- 4) Continued improvements to transit service and parks

Being born and raised in Everett, I have the opportunity to witness first hand both Everett's strengths and weaknesses. Now, as a downtown business owner for the past 7 years, I am very familiar with how the Everett community handles the homeless and substance abuse problems.

I know we can do better and I bring a fresh new approach to the Everett City Council. I work here, live here and I volunteer my time in this community.

For example, it's time to bring anchor stores to downtown Everett. Other businesses will follow and make downtown a vibrant alternative to the community.

I am committed to making Everett a better place for the younger generation. We have to look beyond ourselves and build a community that will provide abundant opportunities for the citizens that are now our children.

Everett is my hometown and I am proud to serve as your councilmember.

My focus for the next four years:

Working for You:

When citizens contact me, they can count on me to listen and respond. I do my homework and ask tough questions. When it comes time to act, I put the interests of our citizens above all others.

Safe Neighborhoods:

Our neighborhoods are plagued by crime that threatens our sense of security. We need better enforcement of laws that are on the books, and a policing strategy that focuses on long-term solutions.

Responsible Budget Management:

I voted against misguided tax increases on businesses and homeowners to balance the budget. As a CPA, I remain committed to looking at efficient management practices and using new revenue as a last resort.

Economic Opportunities:

Our economy needs to serve our entire community - businesses and developers, hard working families, and those who are 'down on their luck'. I support a phased implementation of the Streets Initiative Task Force recommendations.

Mill Creek is a great place to live and I'm honored to serve you on our City Council. We need to stay focused on the right priorities to continue to provide the services we all use.

We need to:

- 1) Focus on essential services first: Police, Fire, Medical, Roads and Parks.
- 2) Restrain our spending and focus on raising revenue through economic development and re-development not tax increases. I will not support a new utility tax without the voters being heard.
- 3) Encourage more businesses that generate revenue not more apartments.

When the council makes a zoning change it needs to work for the benefit of ALL the City and its residents. After resolving our City Manager issue, our City Council is working well together. I ask for your vote so that I may continue our good work and move forward on these issues.

I am honored to have served you on city council for 10 years, helping to maintain Mill Creek as the preferred place to live, work, learn, and raise our families. I am ready, willing, and able to continue to serve, and ask for your vote.

My priorities for our city are aligned with what we have heard from you:

- Maintain Mill Creek's community character: clean, safe, beautiful, walkable
- Provide an appropriate level of quality public facilities: parks, trails, streets and sidewalks
- Provide a high level of quality public services: excellent, proactive law enforcement; responsive fire and emergency medical services; appealing parks and recreation programs
- Ensure future growth and development are aligned with our present high standards
- Ensure that we maintain a healthy financial condition: require staff to continuously improve their processes to eliminate waste and align their efforts with our top priorities; look for opportunities to enhance economic development; keep taxes lower than those in surrounding jurisdictions.

I also look forward to continuing to represent our community at various regional forums, and ensure Mill Creek is a significant player in Snohomish County and the Puget Sound Region.

Thank you for your support.

City of Mill Creek Council Position 7

Mark Bond
(Nonpartisan Office)

When I was hired as a Mill Creek Police Officer in 1990, I knew I wanted to raise my family in this special city. My family and I were finally able to move here in 2001. Even after becoming a Snohomish County Deputy, I wanted to be more involved with our city. In 2004 the voters elected me to my first term on the city council. My focus has been on public safety, economic development and fiscal responsibility.

Today, the City of Mill Creek is doing things right. My goal is to maintain the great levels of services without burdening the taxpayer. Being wise with your money allowed us to survive the economic downturn with no significant impacts. Today we are strong and our future is bright. We have great services and our community is safe. It's an exciting time for Mill Creek and I ask for your vote and the opportunity to continue to serve you.

Hi, I’m Charlie Eakins and I’m a software development engineer and father of a wonderful 11 year old daughter who is an artist. I have more than 20 years of experience in Information Technology. I’m a member of the Mukilteo Arts Guild, and I care about Mukilteo as a community, and I promise to respond to any member of the community that contacts me if elected. I’m interested in passing fiscally responsible budgets, and would like to help foster economic development in Mukilteo. I think government should play the smallest role possible in peoples daily lives. I also think government should be transparent. Everyone should have a right to know what their government is doing, and what it’s doing with their tax money. They should also have the right to be listened to by their elected leaders. Two other issues if elected I would tackle, are our traffic problem, and the lack of good broadband internet competition.

Other Professional Experience: I’ve been an IT professional for over 20 years. I’ve done everything from software support to what I do now, which is a software development engineer.

Community Service: I’ve volunteered doing anything from feeding the homeless to more recently helping to clean up and build paths in a park through my employers volunteer program.

Everett School District 2 Director-at-Large Position 3

Kathleen Estabrook
(Nonpartisan Office)

I am running for the Everett School Board because I have the desire to make sure the voice of the parents, students & community are heard at all levels of the district – from the Superintendent to the local schools. I want to ensure the best education for all of our children.

I would like to see the School Board Meetings at an accessible time to the community.

I understand the challenges we face to see the students & staff succeed in the ever changing environment with school funding, class sizes & standardized testing. My goal is to see these decisions make for the students at the local level – not at the State & National levels.

I hope to restore the trust of the community and help pass a bond package in 2016 that addresses the needs of the students while restoring the trust of the community. Our kids deserve great facilities, but our taxpayers must see that we are spending with integrity and putting student needs first.

Other Professional Experience: 16+ years Administrative/Executive Assistant at Microsoft or other local companies. Excellent budget & administrative organizational skills.

Preparing students for their future is a complex and exciting challenge. As a parent and long-time resident of the district, I have brought a focus of open communication and community outreach to the school board. I am proud of our recent accomplishments, which give students a foundation for future opportunities and success:

- Increased challenging course options including more Advanced Placement classes for ALL students.
- Deployed close to 3,500 Chromebooks into the hands of teachers and students.
- Approved \$2M for improved school security and incident response.
- Integrating science, technology, engineering, and math (STEM) education throughout the district including more science and robotic clubs.

To provide a meaningful education to every student, we also need to solve the challenges of overcrowding and aging schools, continue to hire the best teachers and staff, and be prudent with taxpayer dollars. My experience, vision and passion can help lead us there.

Please join Mayor Ray Stephanson, State Representative Mike Sells, City Councilmembers Roberts, Stonecipher, Murphy and Tuohy in supporting my campaign.

Everett School District 2 Director-at-Large Position 4

Traci Mitchell
(Nonpartisan Office)

As an Everett Public Schools parent it has been my pleasure to serve on the School Board.

During my term, we expanded free full-day kindergarten. We expanded Highly Capable testing in the elementary schools. We expanded choice and access for middle school students to take advanced classes to earn high school credit. We offer more Advanced Placement and world language classes in high schools. We have added programs and partnerships to help and inspire students to be college and career ready.

I am proud of our 2014 high school graduation rates – almost 90% for all four high schools. Our students excel in many areas including: Science, Technology Engineering and Math (STEM), arts, and athletics.

With these accomplishments, we also have challenges. Growth in the southern region is causing overcrowded schools. Older schools need safety upgrades. Educational technology is a “basic” students’ need to prepare for their futures.

As a recent graduate, I have a unique perspective of the district from a students point of view. I'd like to bring this perspective to the school board as a member to help improve the district. Some of the big things I'm concerned about are protecting students rights and privacy, ensuring useful rigorous courses, providing adequate facilities and technology for all students, and using money responsibility to benefit students - not a handful of administrators. I am also a proponent of short terms for elected officials, that way if they don't do their job, they can be quickly replaced by someone with the taxpayers interests in mind. Being 20 years old and fresh out of school, I have no ties to any organizations or businesses, the only person I am interested in pleasing is you, the taxpayer.

Four years ago I ran for the Marysville School Board with the purpose of connecting community with the School District. In the last four years the board has worked diligently to create transparency, and involve the community in major decisions for our students and schools. During this time Marysville has chosen a new superintendent, and included over 100 community members in evaluating and soliciting feedback from the candidates. We have adopted a new strategic direction which included over 300 community members in its' creation. We now utilize online surveys to determine satisfaction levels with the district, and to help us determine next steps as with our MP cafeteria decision. We will now focus our attention on building systems for improving student learning. Together we make Marysville stronger.

I'll strive to improve the quality of Mukilteo schools while supporting the development of students and teachers so they have the tools necessary to succeed in today's changing world. Our teachers provide a valuable education, our kids deserve great schools, and I'll ensure these happen by focusing my determination, passion and fiscal responsibility. As an involved parent I've attended many PTSA and school board meetings the past several years, was elected Fairmount's PTSA treasurer in 2010, and a member/volunteer of Mukilteo Elementary's PTSA since 2012. Hello,

Due to anticipated changes in my life over the next few years I would not be able to serve the Mukilteo Schools community at the level I feel that you and you're your children deserve for the full four year term. I cannot officially withdraw from the election at this point in the election cycle. Because of that fact you are seeing my statement in this voter's pamphlet and my name will remain on the ballot.

That said I have spoken with Kyle Kennedy on a few occasions and believe he would serve this community well as a Mukilteo School Board Director. I feel confident in recommending that you cast your vote for Kyle in this election.

Working with the other Mukilteo School Board directors, Dr. Larsen and her staff, the school principals and administrators, and of course the dedicated teachers, all of whom put themselves out there every day to improve the lives of our children, has been one of the high points in my life. Thank you for allowing me this opportunity to serve you and the children of this great district for the last four years.

Sincerely,

Leah Hughes-Anderson (Nonpartisan Office)

It's been my privilege to serve the last 12 years on our Snohomish School Board. As the proud parent of two Snohomish graduates, I know how important a strong public school system is.

Snohomish is a close-knit, caring community that comes together to support its students. I am proud to live in a community that celebrates in our students' successes and helps them in their critical times. It is fundamental that our students have access to a school system that accommodates each individual's needs. I am accessible, a good listener and will continue to work to connect the people of our community to the valuable resources available within our school district.

As a member of the Snohomish School Board I will work hard to ensure that taxpayer dollars are spent wisely. I will advocate to maintain a wide range of educational options for our students. Most importantly, I will be a guiding force carrying our district into the future, for all our kids.

Snohomish School District 201 Director District 4

David B. Johnston (Nonpartisan Office)

I have been a member of the Snohomish School District Board of Directors for almost eight years. I recently reflected on my candidate statement from 2011 and the challenges we were facing at that time. I am happy to report that in the last four years our District, through the efforts of dedicated teachers, staff, administrators, parents and students have met and overcome many of the challenges faced by public schools. Wonderful teachers and role models, like Tuck Gionet, make our District unique. I am proud to support our team in its primary objective of preparing our students for the future.

I attended Snohomish schools, graduating in 1982. I have served on several non-profit boards and worked on district citizen committees prior to being elected in November 2007. I graduated from the UW School of Law and my legal practice includes real estate and municipal law. I obtained my undergraduate degree from Washington State University (Go Cougs!). My wife and I have a junior at Snohomish High School. Our other son, who attends the United States Naval Academy, reports that his education in the Snohomish School District has prepared him well for the rigors of the Academy.

Fire District 1 Commissioner Position 1

Erica Ash (Nonpartisan Office)

Although my last attempt at running for Fire Commissioner did not end as I had hoped, I am not giving up! Over the last two years, I have spent a considerable amount of time attending District board meetings, talking with firefighters and attempting to learn everything that I can in preparation for this election.

I can honestly say that the more I learn, the more certain I am that my diverse experience would be a benefit to the Board and our Community. I have worked with many public officials and have a significant amount of board governance experience - the two main qualifications for this position. In addition, I am endorsed by Fire District #1's International Association of Fire Fighters Local 1828.

With **30 years of experience within the fire service** -- working first as a firefighter to eventually serving **12 years as a local Fire Chief and 8 years as your elected Commissioner**, I know what it takes to maintain outstanding fire and EMS service.

Your fire department continues to gain national awards for Emergency Medical Service excellence and innovation.

Due to ongoing labor negotiations, I did not seek the firefighter union's political endorsement. Our nearly 200 firefighters do a wonderful job. They deserve reasonable and fair compensation for their great work serving our community.

My career managing, including five years running a small Everett service business with 15 employees, taught me: **people come first when delivering service to the public.**

Nancy and I have been local area homeowners for decades. I am a UW graduate as are our two children. We've been blessed with six wonderful grandchildren.

My prior community involvement includes serving on numerous non-profit Boards, including our local public Hospital District that funded our Fire District's new Community Paramedic service.

I'll continue to carefully weigh all the facts before fairly deciding each issue. Thanks for your support of our fire department.

Fire District 1 Commissioner Position 2

Richard Schrock

(Nonpartisan Office)

As your Commissioner I am committed to providing our superb firefighters and highly trained paramedics with the resources they need to save lives and property. District 1 leads our region in providing excellent, nationally recognized service.

Emergency 911 calls are increasing at 5% annually as our population grows and gets older.

To help maintain speedy, quality emergency responses to your neighborhood, I support:

- hiring more first responders for delivering quick service at times of day when stations are busiest. 22 new firefighters were recently hired and next year we plan to add more.
- increasing readiness for major local disasters: earthquakes, mudslides, oil train derailments and brushfires in dry greenbelts that could spread to nearby homes.
- delivering Community Paramedic service to frequent 911 callers with chronic needs to help them access targeted treatment and avoid unnecessary, costly trips to hospital ERs.

Your past support of our agency’s dedicated emergency service providers is much appreciated

I’m 46 and the last 20+ years have lived in Alderwood south of Lynnwood and attended Edmonds CC. For the previous 12 years I owned a neighborhood store in the unincorporated area of Esperance within Edmonds.

A pressing issue at FD1 is defining the role and place of labor and it’s leadership in influencing the governance of Fire District1(FD1). Labor are hired or volunteer staff on duty to deliver specific services to the public. The erratic costs associated with labor as witnessed by the large retroactive bills presented to the contract cities recently shows competent reform is needed to establish sustainable consistency in this area.

Further I believe it is time to establish policy and demonstrate the will to phase out paid 24hr shifts by attrition aided by temporarily increasing the role of volunteers to aid in this transition. Highly paid staff should not be placed in a position that causes them at times to be paid while sleeping. This change should increase safety of staff and their service level to the public by phasing out this outdated status quo.

Fire District 4 Commissioner Position 2

Jim Schmoker

(Nonpartisan Office)

It has been my privilege to serve as one of your fire commissioners for the past, almost, eight years. I have found that my 26 plus years of experience as a Snohomish Volunteer Firefighter/ EMT and my 38 plus years of experience in business management have proven of great value in my service on the board.

During my time on the board, we have resolved several management level issues. Yet in the tough economic times we have come through, we have been able to focus our resources on providing ever improving service and shorter response times while keeping a lower tax rate than other fire districts in our county.

It is my intention, if re-elected, to continue to provide ever improving service at the most reasonable cost possible.

Thank you for your continued support.

Elected Experience: 8 Years as Snohomish County Fire District #4 Fire Commissioner

Nancy Travis
(Nonpartisan Office)

Dear friends of Fire District #7;

I'm Nancy Travis; and I'm asking to be your new Fire district commissioner.

We are blessed to live in one of the most beautiful and rapidly growing parts of Snohomish County; our county is among the 10 fastest growing in Washington and is projected to add upwards of 250,000-300,000 residents during the next 15 years.

Along with all these newcomers will come the need for significant growth in fire, paramedic and rescue services, as well as fire prevention education.

Fire District #7; already does much in the areas of First aid & CPR training. As one of the largest districts in the state; Fire District #7, has the unique challenge of serving rural, residential and commercial residents. As a result; our brave firefighters require significant logistical, and economic support to meet our growing needs.

I will bring my professional as well as personal experience to help our district during the coming years. I strongly believe that District #7 must remain independent; I will oppose any efforts to merge the district or otherwise reduce the size and scope of its service area or jurisdiction.

I ask for your vote this November 3rd. thank you.

Alderwood Water and Wastewater District Commissioner Position 2

Donna Cross

(Nonpartisan Office)

It is a solemn responsibility and privilege to serve on the Board of Commissioners for Alderwood Water and Wastewater District. Many factors guide me in decision making and a couple illustrations are: whether this action will benefit ratepayers financially and will this improve delivery of service? What will the impact be for ratepayers 10 - 20 - 50 years in the future? We strive to make sound decisions and do so deliberatively.

Obviously, the top issue of concern is the drought we are experiencing. Our knowledgeable staff manages and monitors water flows skillfully. We are confident that our district has a sufficient supply for this summer and fall. Our hope is that this winter will bring colder weather for a great snow pack!

The success to this governing body is interaction between Manager, staff, and the Board of Commissioners. Our Board is wonderfully cohesive - all are free to ask questions, request additional information (which staff always provides), and have open discussions.

Elected Experience: 23 - 1/2 years as Commissioner. Active in Washington State Association of Water and Sewer Districts, Executive Committee member of the Water and Sewer Risk Management Insurance Pool, member of The Clearview Water Supply Agency.

Other Professional Experience: Member of P.E.O.

Education: BA in Business Education

As your Water Commissioner, I try to treat all customers fairly. Snohomish County Public Transportation Benefit Area Corporation (Community Transit) - Proposition No. 1

Ballot Title

Transit and Mobility Improvement 0.3% Sales and Use Tax Funding

The Board of Directors of the Snohomish County Public Transportation Benefit Area Corporation (Community Transit) adopted Resolution No. 08-15, concerning the imposition of an additional sales and use tax. This proposition would authorize an additional sales and use tax of three-tenths of one percent (0.3%) to fund operating, maintenance, and capital improvements to the existing system. These improvements would include more bus trips and better connections, operation of a second line of Swift bus rapid transit between Boeing/Paine Field and Canyon Park, and new service to current and emerging job, retail, and educational growth centers, including connections to the future regional light rail network. Should this proposition be:

Approved
Rejected

Explanatory Statement

If approved by the voters, this proposition would authorize Community Transit to impose an additional sales tax of three-tenths of one percent (0.3%). The proposed tax would provide more commuter bus trips to Seattle, increased east-west service along busy corridors, and new routes to job, housing, and educational centers across Snohomish County. It would reduce wait times and provide more trips during mid-day, evening and weekend hours. In addition, the proposed tax would fund a second *Swift* bus rapid transit line connecting the major job and population corridor between Boeing/Paine Field and Canyon Park. Community Transit would also provide new service to the future light rail network.

Argument in Favor

More Transit Means Less Traffic Congestion

Snohomish County is one of the nation’s fastest growing areas, resulting in longer commutes and traffic gridlock impacting our families and quality of life. We need transportation solutions that reduce congestion and move people efficiently. Community Transit bus, vanpool and paratransit service is critical to meeting current and future transportation needs.

For less than \$3/month for an average voter, Proposition 1 will meet rising demand for transit, improving mobility for students, seniors, commuters, and people with disabilities across our County.

- Proposition 1 will provide:
- More trips on existing bus routes, reducing wait times between buses;
 - Longer daily transit service hours, including evenings and weekends;
 - A second Swift rapid transit line between Boeing and Canyon Park;
 - More vanpool and DART service;
 - New routes and service throughout the county, including frequent connections to future light rail.

Accountable and Efficient

It’s been 15 years since Community Transit asked voters for more revenue. Careful planning and oversight helped weather the recession. But gridlock and growth mean we must invest in more buses and increased service.

Supported by Leaders You Trust

Whether you ride transit or not, these improvements will help our economy and quality of life. That’s why Prop. 1 is endorsed by United Way of Snohomish County; Economic Alliance of Snohomish County; County Labor Council; State Senators Liias, McCoy, Hobbs; State Representatives Moscoso, Ortiz-Self, Peterson, Robinson, Sells, Stanford; Mayors of Arlington, Edmonds, Lynnwood, Marysville, Mountlake Terrace, Mukilteo, Stanwood; and more!

Vote Yes on Proposition 1.

Statement by: Crystal Donner, Jennifer Gregerson, Marko Liias

Response from Committee Against

CT wants us to believe their effort will “mean less congestion” so they are trying to provide something for everyone in hopes that voters will approve this tax increase.

The economic outlook is good for Snohomish County and CT wants us to believe we have “weathered the recession”. Some forecast another recession in the future.

Is CT really “Accountable and Efficient” while taxpayers subsidize them at such a high rate?

Vote No on Prop 1!

Statement by: Jeff Scherrer, Nathan Shelby

The statements are printed as submitted.

Argument Against

Community Transit could manage spending better before asking taxpayers to subsidize service even more than they already do.

Community Transit wants to add another 0.3% Sales and Use Tax to the 0.9% sales tax most Snohomish County residents already pay for local and commuter bus service. In addition, taxpayers pay 0.3% Motor Vehicle Excise Tax for Sound Transit who will be asking voters for more taxes next year. Community Transit’s own 2014 projections are for an average 4.5% income growth yearly through 2019.

With a similar size area and half the population, Spokane’s transit agency ridership is greater at a lower cost and they provide more than 3 times the hours of local bus service at those lower costs.

Even King County Metro’s and Pierce Transit’s costs per trip are almost half that of Community Transit.

Snohomish County taxpayers subsidize riders who pay \$2 for a trip that costs \$9.10.

Even the state Department of Transportation says Community Transit is one of the most expensive transit agencies in the state for its size.

Increasing transit taxes on working families will hit Snohomish County residents especially hard. Do not support more taxes for Community Transit until they budget their spending better.

Community Transit needs to learn to operate within its means.

Vote no to raising Community Transit taxes.

Statement by: Jeff Scherrer, Nathan Shelby

Response from Committee in Favor

Opponents ignore growth that’s causing more traffic, and stress on families and businesses. They also skew the facts. While other transit agencies have made multiple voter requests, Community Transit cut overhead and made efficiencies – earning public trust. But growth and traffic means we simply need more transit service.

That’s why nonpartisan United Way and Economic Alliance support Proposition 1, as well as Executive John Lovick and more. Vote yes for more transit and less traffic.
